

Short - Curriculum Vitae

Prof. Dr. F. Coutelieris

University of Western Macedonia & NCSR "DEMOKRITOS", Greece
fcoutelieris@uowm.gr

Frank A. Coutelieris is Assistant Professor at the Department of Engineering and Management of Energy Resources in the University of Western Macedonia located at Kozani, Greece. His research areas include modelling of engineering applications and especially, modelling of transport processes in complex porous structures.

He obtained his PhD in Chemical Engineering in 1995 at Chemical Engineering Department, University of Patras, Patras, Greece, and subsequently made postdoctoral research visits to the Mechanical Engineering Department, University of Thessaly, Greece, to the National Center for Scientific Research "Demokritos", Greece and to the Unilever R&D Centre, Vlaardingen, the Netherlands, before taking up his faculty position at The University of Western Macedonia in 2004.

He has an extensive record of scientific publications and oral presentations at international conferences.

He is married with the painter Natasa Kondouli (one daughter).
